Dear coaches and parents,

The day your team is scheduled, **make sure you have one volunteer to work the concession stand the entire morning.** One person can volunteer to do the entire morning or several volunteers from your team can take turns working the concession stand in hour increments for the entire morning. **It will be your team's choice on how they would like to work the concession stand. The concession stand needs to be set up and ready to go by 8 am.** All foods and beverages are \$2. At the end of the last game, the Concession must be taken down and loaded into my vehicle or storage container.

Every team is responsible to work the concession stand one gameday out of the season.

All games can be viewed from the concession stand unless it is teams that play on Pee Wee Field #2. In these cases, volunteers may leave the concession to watch their child, but please return when the game is over. The concession stand must be manned at all times.

Thank-you, ACYP
